

Construction activities update 8 August 2024

The NSW Government's \$940 million investment in the redevelopment of Royal Prince Alfred Hospital will be the biggest transformation of RPA in the hospital's 140-year history of caring for the community.

Minimising construction impacts

The health and safety of staff and the local community are our main priorities. We have detailed site safety and environmental procedures in place to minimise the impact of our works and keep construction noise, dust and vibration to a minimum. Due to construction increasing across the campus, patients and visitors are advised to use the Level 5 Missenden Road entrance when possible. Please note the timing of works is subject to change and we will continue to keep you informed as works progress. Thank you for your patience as we build the future of RPA Hospital.

Stay up to date on the redevelopment by [subscribing](#) to our project updates. Visit the project website rparedevelopment.health.nsw.gov.au for more information. Email RPARedevelopment@health.nsw.gov.au or phone (02) 9978 5901 with any questions.
