

Works notice: Friday 15 March 2024

Lambie Dew Drive road closure near Johns Hopkins Drive

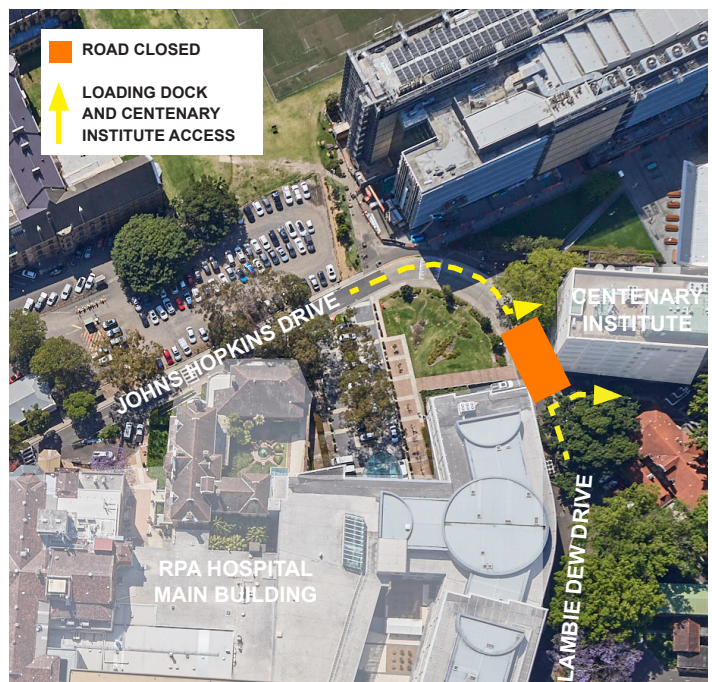

From 7am on Friday 15 March 2024 for a period of four weeks a small section of Lambie Dew Drive near Johns Hopkins Drive will be closed.

Access to the loading dock will be via Gloucester House Drive only. The pedestrian footpath will be maintained along Johns Hopkins Drive and a traffic control plan will be in place to manage all movements.

These works will require the use of machines and equipment that may cause some noise and vibrations at times. We will continue to monitor and report the noise and vibration levels so we can continue to minimise disruptions where possible.

Key impacts:

- No through road between Johns Hopkins Drive and Lambie Dew Drive
- Access to loading dock via Gloucester House Drive only
- Pedestrian footpath maintained on Johns Hopkins Drive
- Increase of construction vehicles on Johns Hopkins Drive
- Possible noise, dust and vibration works with measurements in place to minimise disruption
- Traffic control plan in place with dedicated traffic controllers on site to assist with navigation

More information

The health, safety and well-being of staff, patients, neighbours and community is our highest priority. For any queries relating to this work, please contact the RPA Redevelopment Team.

Email RPAredevelopment@health.nsw.gov.au
Phone (02) 9978 5901

We thank you for your patience and cooperation while we complete these necessary works.
