

Works notice: Commencing 19 May 2025

RPA Hospital Redevelopment

19 May 2025

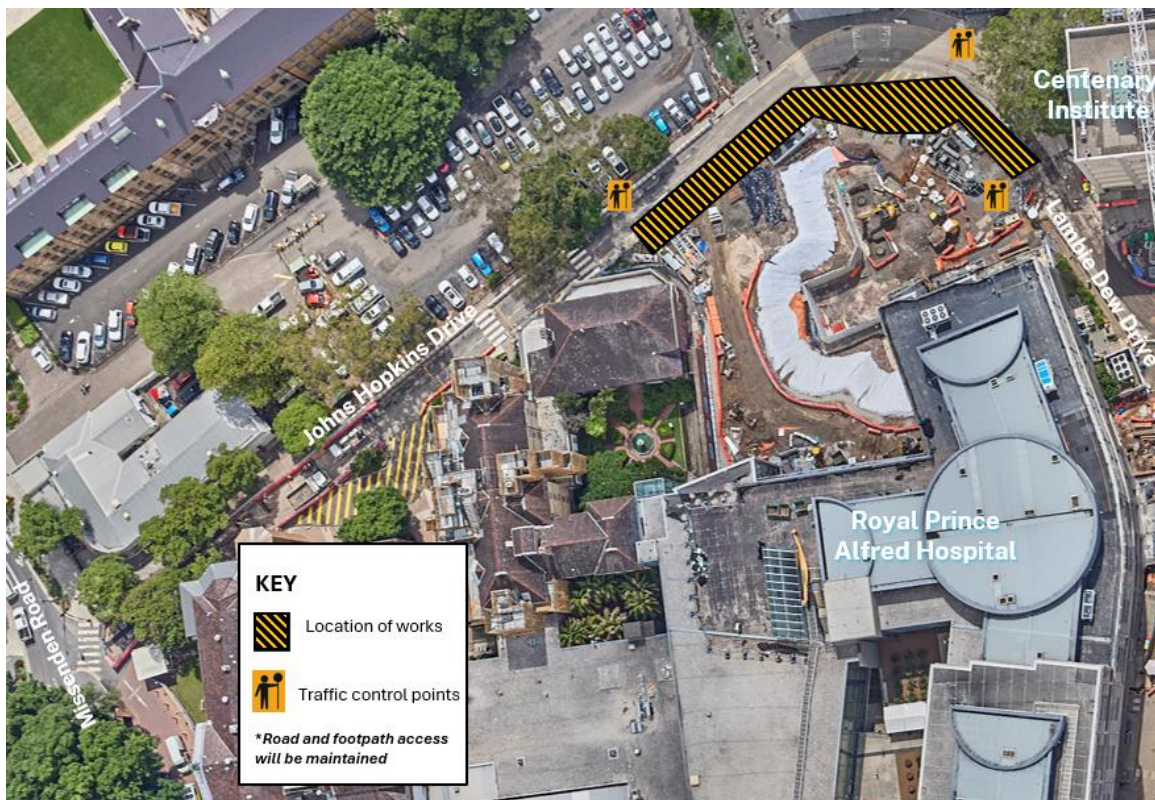

Adjustment of construction site fencing on Johns Hopkins Drive

From Monday 19 May until Friday 6 June 2025 the construction site fencing along Johns Hopkins Drive will be adjusted. Works will be carried out between 7am and 6pm on weekdays.

Works will be completed to adjust the construction site fencing along Johns Hopkins Drive and a section of Lambie Dew Drive adjacent to the Centenary Institute. Partial road closures and exclusion zones will be set up to ensure the work areas are isolated. Access will be maintained at all times.

A contraflow will be in place along Johns Hopkins Drive with traffic controllers in place to manage traffic flow. Always follow directions from traffic controllers and take care when navigating around construction.

Location of works

Key impacts

- Single-lane vehicle access, with contraflow in place
- Vehicle access to Centenary Institute and Charles Perkins Centre will be maintained via single lane on Johns Hopkins Drive

- Traffic controllers will be on site
- Increased construction activity
- Minor noise.

More information

The health, safety and wellbeing of staff, patients, neighbours and community are our highest priorities. For any questions or concerns about these activities, please contact the project team via the details below.

Thank you for your patience while we work to deliver this exciting project.

Please note that activity dates are subject to change.
