

The Women and Babies entrance on Johns Hopkins Drive is closing from 7am on Tuesday 23 April 2024

Access to the Delivery Unit, Birth Centre and Neonatal is changing

The Women and Babies entrance (the new northern arrival) is being rebuilt as part of the RPA Hospital Redevelopment. To enable works to commence, the northern entry will be closed from 7am on Tuesday 23 April 2024.

Best access for Delivery Unit, Birth Centre and Neonatal will be via the main hospital entrance on Missenden Road. In the event of emergencies, a small drop-off area has been maintained on Gloucester House Drive near the southern entry. The Maternity reception will be relocated to the southern entrance on Level 3 to assist patients and visitors with their appointments.
