Staff and visitor car park changes

From Friday 19 January to Friday 9 February 2024 there will be a temporary loss of car spaces on level 2, level 3 and level 4 of the staff and visitor car park.

From Friday 19 January to Friday 9 February 2024 there will be a temporary loss of car spaces on level 2, level 3 and level 4 in the staff and visitor car park located on Grose Street. Traffic control will be in place to help people navigate the space, and works will occur outside peak access times.

To maximise car spaces, access to the car park will be maintained and our contractors will complete the required works in the below stages:

- 19 car spaces on level 4 closed from Friday 19 January
- 46 car spaces on level 4 closed from Monday 22 January to Wednesday 24 January (inclusive)
- 18 car spaces on level 3 closed from Monday 29 January to Friday 2 February (inclusive)
- Three car spaces on level 2 and one car space on level 3 closed from Monday 5 February to Friday 9 February (inclusive)

These works are part of the construction of the temporary helicopter landing site, which is expected to take 12 months to complete. Once complete, the temporary helicopter landing site will be in use for approximately 24 months. Find out more about the relocation in our [Fact Sheet](#) and [FAQs](#) on our [project website](#).
