

Construction activities update 15 October 2024

The NSW Government's \$940 million investment in the redevelopment of Royal Prince Alfred Hospital will be the biggest transformation of RPA in the hospital's 140-year history of caring for the community.

Minimising construction impacts

The health and safety of staff and the local community are our main priorities. Due to construction increasing across the campus, patients and visitors are advised to use the Level 5 Missenden Road entrance when possible. Please note the timing of works is subject to change and we will continue to keep you informed as works progress.

Stay up to date on the redevelopment by [subscribing](#) to our project updates and visit the project website rparedevelopment.health.nsw.gov.au for more information. Email RPARedevelopment@health.nsw.gov.au or phone (02) 9978 5901 with any questions.
