

## Construction Communications January 2024

The NSW Government's \$940 million investment in the redevelopment of Royal Prince Alfred Hospital will be the biggest transformation of RPA in the hospital's 140-year history of caring for the community.

Key construction activities this month include the eastern campus site establishment on Lambie Dew Drive and preparing for the temporary helicopter landing site near Grose Street. Current work will be between the standard work hours of 7am to 5pm.

Upcoming activities			
Works	Date	Location	Impact
One-lane road closure <a href="#">WORKS NOTICE</a>	Commenced 10 January	Johns Hopkins Drive	<ul style="list-style-type: none"> <li>One-lane road closure on corner of Johns Hopkins Drive and Lambie Dew Drive</li> <li>Traffic control in place on Lambie Dew Drive</li> <li>Traffic control in place on Gloucester House Drive</li> </ul>
Changes to the northern entrance driveway <a href="#">WORKS NOTICE</a>	Commenced 15 January	Johns Hopkins Drive	<ul style="list-style-type: none"> <li>Northern entrance driveway changes</li> <li>Temporary one-lane road closure on Johns Hopkins Drive</li> <li>Traffic control in place on Johns Hopkins Drive</li> </ul>

### Changes to pedestrian access

Major works to prepare the site for the future 15-storey hospital building have started on Lambie Dew Drive and Johns Hopkins Drive. Pedestrians are advised that the best access from RPA Hospital through to Sydney University is via the footpath on Johns Hopkins Drive. Learn more in our [pedestrian access changes works notice](#) and [pedestrian safety fact sheet](#) on our [project website](#).

### Minimising construction impacts

The health and safety of staff and the local community is our main priority. We have detailed site safety and environmental procedures in place to minimise the impact of our works and keep construction noise, dust and vibration to a minimum. Please note the timing of works are subject to change and we will continue to keep you informed as works progress. Thank you for your patience as we build the future of RPA Hospital.
