Holiday construction closure period

The RPA Hospital Redevelopment project team will be taking a break over the holiday period from Saturday 21 December 2024 to Monday 6 January 2024. During this time, construction activity will pause to ensure that all staff and contractors can enjoy the festive season with their families. We wish everyone a wonderful holiday period and look forward to resuming work on the project after the holiday period.

Minimising construction impacts

The health and safety of staff and the local community are our main priorities. Please note the timing of works is subject to change and we will continue to keep you informed as works progress.

Stay up to date on the redevelopment by [subscribing](#) to our project updates and visit the project website rparedevelopment.health.nsw.gov.au for more information.
