

The designs for the NSW Government's \$750 million investment in the new RPA Hospital Redevelopment have been unveiled.

What services will be included in the redevelopment?

Stage 1 of the RPA Redevelopment will include expanded and enhanced:

- Emergency Department
- Intensive Care Unit
- Medical imaging services
- Operating theatres
- Maternity, birthing and neonatal services
- Adult inpatient accommodation / beds
- Associated clinical and non-clinical support services capacity.

Want to find out more?

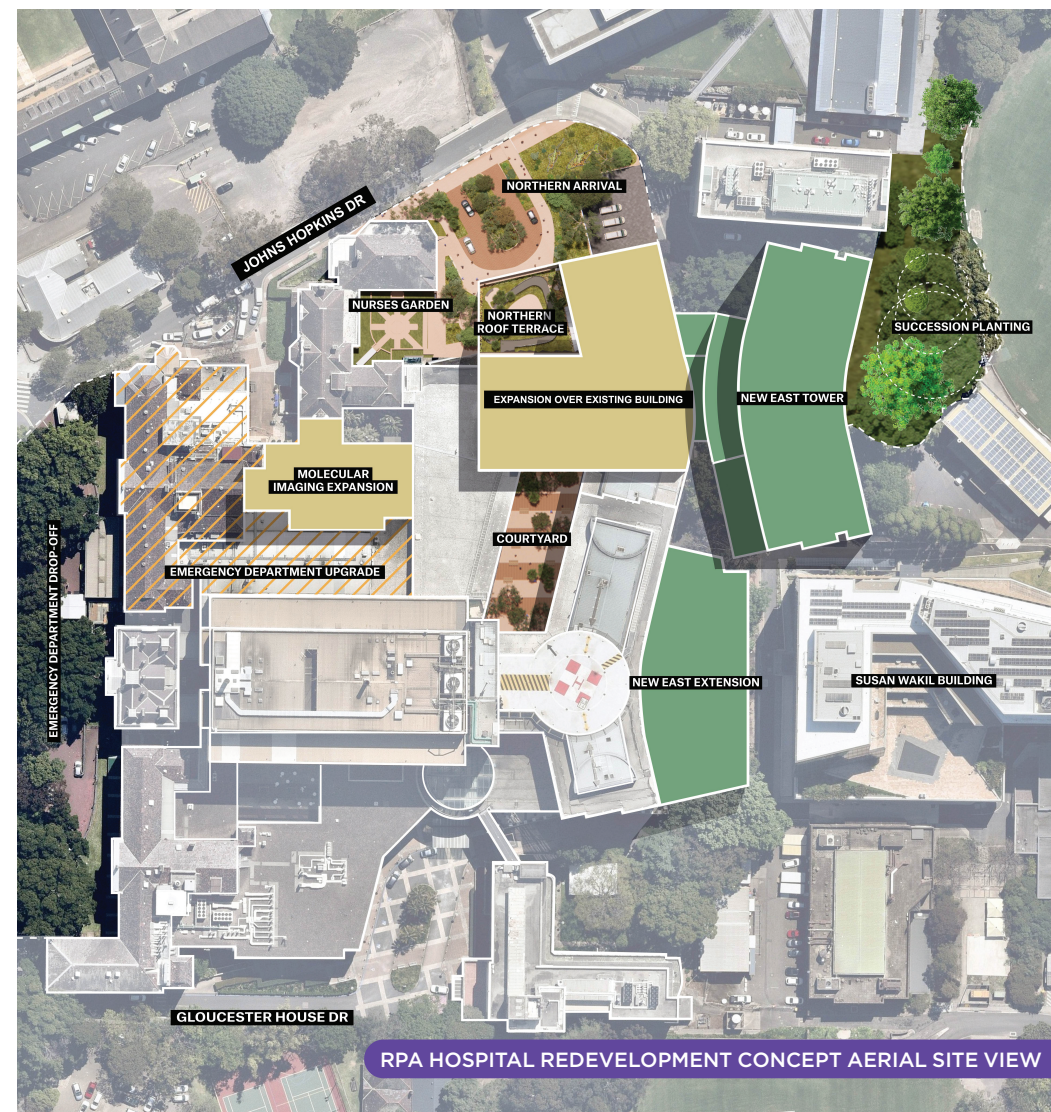

You can find out more about the redevelopment at: www.rparedevelopment.health.nsw.gov.au.

You are also invited to send any feedback, suggestions or comments you would like to raise with the redevelopment team via the contact form on our website or by emailing: rparedevelopment@health.nsw.gov.au

Tell us what you think?

The concept design builds upon the extensive engagement undertaken with staff, clinicians and consumers to understand the needs of our services and departments and will ensure the hospital is purpose built to meet the growing healthcare needs of everyone who connects with RPA.
