

Works notice: Saturday 11 and Sunday 12 January 2025 Tower crane installation at RPA Hospital

From 1am on Saturday 11 January to 12am Monday 13 January 2025 a tower crane will be installed on Lambie Dew Drive requiring a full road closure on Johns Hopkins Drive.

Legend

- Construction zone
- RPA Hospital loading dock
- Loading dock access travel path
- Tower crane installation area

Works will involve:

- Out of hours activity to install tower crane
- Large volume of semi-trailer deliveries
- Johns Hopkins Drive full road closure
- RPA Hospital loading dock access via Gloucester House Drive only

Works will involve out of hours activity to ensure the safe installation of the tower crane. There may be some associated noise during the works, including the delivery and set-up of the mobile crane between 1am to 6am on Saturday 11 January 2025.

There will be a full road closure of Johns Hopkins Drive as there will be a large number of semi-trailer deliveries accessing the site via Johns Hopkins Drive. The deliveries will be staged to minimise impacts to the surrounding roads and local authorities have been notified of the works.

RPA Hospital loading dock access will be via Gloucester House Drive only and there will be no through road to Johns Hopkins Drive.

A traffic control plan is in place to help people navigate the space. People are advised to always follow the direction of traffic controllers and signage. Pedestrian access will be maintained, however people may be stopped during key crane movements.

More information

The health, safety and wellbeing of staff, patients, neighbours and community is our highest priority.

For any queries relating to this work, please contact the RPA Redevelopment Team via email RPAredemption@health.nsw.gov.au or phone (02) 9978 5901.

We thank you for your patience and cooperation while we complete these important works.
